Purpose of this notice

Irell & Manella LLP maintains Irell & Manella Profit Sharing Plan to help you attain financial security during your retirement years. As a plan participant, you decide how your retirement plan dollars are invested in the investment alternatives available in the plan. This QDIA employee notice:

1. Describes when the QDIA is used
2. Provides details regarding the selected QDIA
3. Outlines your right to direct the investment of your plan dollars to other investments available in the plan or to elect not to have contributions withheld from your pay, if applicable
4. Explains where additional information about those additional investment alternatives can be obtained

Keep this disclosure with your Summary Plan Description and other retirement plan documents.
